Dear whom it may concern,

My name is Amber Maurer and I am the owner of the Coal Country Kitchen LLC. I am in the startup phase of the business and I am currently seeking a commercial kitchen space. My business will specialize in ethnic foods local to our area, and help to preserve our culinary heritage. During this time in my business development, I plan to offer catering and ala carte services for food items and baked goods. The recipes that I use have been handed down thru generations and are the same dishes that our grandmothers served in their own kitchens.

This letter is a proposal to rent the kitchen in the former elementary school, now the borough office building. I would rent the space on an as needed basis. I am projecting to use the space predominantly on Thursdays and Fridays, every other week, to prepare and store raw and finished food products. The monetary amount of the rent would be decided upon by council and myself, and an agreement can be made for a fair price.

Thank you for your time and consideration.
